

## Application for Community Garden

Cul2vate is a nonprofit organization based in Middle Tennessee, with the mission of growing food and growing people. One of our programs is to promote community gardens to serve residents, schools, nonprofits, and more.

To be eligible for a raised bed garden, you must be a **non-profit, legally tax-exempt organization, or eligible charity** located in the Greater Nashville Area.

Your organization must serve a charitable purpose, be in education, or otherwise enhance the quality of life in the Nashville Area in regard to: education, food insecurity, addiction recover, post incarceration support, or community resources.

Cul2vate Community Garden application guidelines and requirements: Applications are available August 15 on the Cul2vate website and due by midnight October 15, 2022.

This form allows a **minimum** of 2 raised beds and a **maximum** of 5.

Partner recipients of a Community Garden will be selected in October, and projects are projected to be completed by March of 2023.

Community Garden recipients **must** complete an evaluation form after their project is complete. If they fail to do so, the recipients **will not** be eligible for future gardens nor for further training and support.

Only the following entities can receive gardens: Nonprofit organizations with a 501(c)(3) status, Government entities, such as cities, counties and schools.

Below is the Application Form. For questions, please call 615-454-7431 or email [info@cul2vate.org](mailto:info@cul2vate.org).
